

Uniform Standard for Evaluating Content Competency

Alternative Assessment for the CTE Alternative Authorization - Content Specialist

A candidate using the Alternative Authorization - Content Specialist route to certification must "meet or exceed the state qualifying score on the appropriate state-approved content, pedagogy, or performance assessment" prior to entering the classroom ([IDAPA 08.02.02.04202](#)).

This rubric is used to assess a candidate's content area expertise. A candidate pursuing a Content Specialist route who has **NOT** successfully passed the appropriate [Praxis®](#) content area assessment may be placed in a teaching assignment by scoring the required number of points on the Uniform Standard for Evaluating Content Competency (USECC):

- Middle/Secondary Content Endorsements
 - o **100 points** must be achieved for the endorsement requested.

Both the candidate and the hiring Local Education Agency (LEA) must sign the USECC to confirm the candidate has met or exceeded the required number of points on the USECC. Include the signed USECC and all supporting evidence (e.g., transcripts, resume) with the CTE Alternative Authorization - Content Specialist application packet.

Do **NOT** use this form if the candidate:

- has passed the required content area assessment for the endorsement area requested, or
- has a baccalaureate degree in the content area.
