

We prepare Idaho's youth and adults for high-skill, in-demand careers.

IDAHO

Career & Technical
Education

Hosted by

ICTE 2016

Professional Development Conference

Introducing a new look, and a new name

We foster the connection of information from one source to another, from educators to students to industry.

This logo evokes energy and motion with its forward-facing arrow.

Students

- > Connect to knowledge
- > Connect to career training
- > Connect to job opportunities

Industry

- > Connects to a skilled workforce
- > Connects existing resources with needed training

At Idaho Career & Technical Education we foster connections that give meaning to our mission to prepare Idaho's youth and adults for high-skill, in-demand careers.

WELCOME

Welcome to our new and improved Professional Development Conference: REACH. This is a special year for all of us. We have a record breaking number of attendees representing secondary, postsecondary, and school counselors! We also have a brand new name, Idaho Career & Technical Education (ICTE), that aligns us with career & technical education throughout the nation.

REACH represents our commitment to your professional development, and your ability to advocate for, recruit students to, and enhance Idaho's career & technical education at

your school. I hope you come away from this week feeling invigorated, informed, and inspired.

Thank you for being an active participant, ambassador, and advocate for CTE in Idaho. Your hard work prepares thousands of Idaho's students for high-skill, in-demand careers.

A handwritten signature in black ink, appearing to read "Dwight A. Johnson".

Dwight A. Johnson
State Administrator

- > I harness my abilities...
- > I gain in-demand skills...
- > I connect to real careers...
- > I learn by doing...

with CTE.

Sign up Tuesday Only at Check-in.

CTE Summer Conference- Industry Tour & Events Day

College of Southern Idaho, August 3rd, 3:30 pm - 5:30 pm. Space limited.

EVENT #1 - Chobani Idaho – Business and Education Partnerships & Yogurt Tasting

In 2012, Chobani, America's #1 yogurt brand invested over \$450 million to build the world's largest yogurt production facility in Twin Falls, Idaho in just 326 days. Since the original construction of the over 1 million square foot manufacturing facility, Chobani has announced additional investments in expansions to accommodate additional square footage to make room for production lines for NEW product offerings such as Chobani Meze Dips and Chobani drinkables. With over 1,000 employees hired in a matter of a few years, Chobani has faced great challenges and opportunities in finding and training their workforce. In this session, you will hear from one of Chobani's top leaders about the process in building their team at startup to looking at the future workforce pipeline development. Innovative solutions addressing business and industry partnerships in training programs and apprenticeship and internship opportunities will be addressed. Event Capacity: **20 participants.**

For more information, visit: www.chobani.com

EVENT: #2 - Food Processing Careers - Presentation and Panel Discussion

Join us for an interactive session of presentations and open panel discussion with Industry Leaders in the Food Processing Industry. South Central Idaho has been a magnet for recent growth in in this sector, including CPG companies Chobani and Clif Bar. This economic development success has created many challenges and opportunities with staffing for these new jobs and businesses. Through this session, you will hear about innovative ways that each of these businesses have partnered with education to fill these jobs during startup phase and beyond. Event Capacity: **50 participants.**

TOUR #1 - Novolex

Novolex™ is North America's leader in packaging choice and sustainability. The leadership of Novolex's™ packaging brands sprouts from innovation; a diversity of products and markets; and a dedication to sustainability and quality embraced by the more than 6,000 Novolex™ employees at 43 locations across the United States, Canada and Mexico. The Novolex plant located in Jerome, Idaho, is a manufacturer of high density polyethylene bag and film products that currently employs 170 employees. Through this tour, participants will learn about the workforce needs of a highly automated plant facility. Tour Capacity: **50 participants.**

For more information, visit www.novolex.com

TOUR #2 - Glanbia Cheese Innovation Center- Cheese Research & Development

Glanbia's Cheese Innovation Center opened its doors in 2013 and has since been the leader in cheese innovations science. A place where ideas, market intelligence and science meet - the CIC provides a space for customers to work side-by-side with our cheese research scientists to develop new products, create better solutions and generate new processes to provide the most innovative products to satisfy changing market needs. The CIC gives customers access to an entire network of resources and experts focused solely on cheese. The center's masterful pilot-production facility streamlines the process of moving products from concept to full-scale production. The CIC consists of a pilot scale cheese production facility with adjustable, small-scale cheese production and a variety of equipment on-hand to provide greater flexibility for exploring and developing new cheese products and processes. Tour Capacity: **20 participants.**

For more information, visit: <http://glanbiausa.com/about/locations/cheese-innovation-center>

TOUR #3 - Glanbia Nutritionals - Whey & Bakery Research & Development Center

Glanbia Nutritionals manufactures and sells nutritional and functional ingredient solutions to the food, beverage, supplement, and animal nutrition industries. Glanbia Nutritionals is a division of Glanbia plc, a global performance nutrition and ingredients group headquartered in Ireland. Glanbia has over 5,000 employees worldwide, with a direct presence in 29 countries. Glanbia's products are sold in 130+ countries worldwide. The tour of this full scale bakery and R&D facility will open your eyes to the endless research and possibilities that go into creating the nutritional products that you love. Tour Capacity: **20 participants.**

For more information, visit: <http://www.glanbianutritionals.com/about/overview>

REACH out!

with the Online/Mobile REACH Program

To get the full experience, download the Guidebook.

Build your schedule, give feedback and stay connected.

To get the app either...

1 Open up your device's web browser and visit guidebook.com/getit

2 Search for 'Guidebook' in the Apple, Google, or Amazon app stores

THEN Find REACH by searching for guides: Idaho Career & Technical Education: Reach

SESSION DESCRIPTIONS

GENERAL SESSIONS

Tuesday, August 2:

9:00 am - 9:15 am, Fine Arts Auditorium
Dwight Johnson, ICTE Administrator

9:15 am - 10:30 am, Fine Arts Auditorium
Mark C. Perna, Keynote Speaker

KEYNOTE ▶

Join dynamic education expert Mark C. Perna as he unveils the groundbreaking innovations and strategies that are changing the game for CTE nationwide. Discover how CTE delivers the single most important competitive advantage in today's workforce through the synergy of academic knowledge and technical skills — and how you can maximize that message in your community. You'll gain key insights on today's generation, how they make decisions, and how you can connect your offerings with their goals.

11:00 am - 12:00 pm, Fine Arts Auditorium
Amy Lorenzo, ICTE

WORKPLACE READINESS - IT'S MORE THAN JUST TECHNICAL SKILLS ▶

Workplace Readiness Panel: Workplace readiness, a priority at both the national and state level, prepares students to enter the workforce. Skills, such as professionalism and leadership, play just as an important role in successful student outcomes as many of the technical skills CTE students learn as part of their program. Local employers share their experiences with workplace readiness, highlighting both students new to the workforce and seasoned employees.

Wednesday, August 3:

8:00 am - 8:30 am, Fine Arts Auditorium
Dwight Johnson, ICTE Administrator

INTRODUCTION AND OVERVIEW OF ICTE INITIATIVES ▶

Learn more about the latest efforts underway at Idaho Career & Technical Education, including what teachers and administrators can expect in the coming year.

8:30 am - 9:15 am, Fine Arts Auditorium
Susan Johnson & Steve Rayborn, ICTE

HORIZONTAL AND VERTICAL ALIGNMENT - THE VIEW FROM THE TRENCHES ▶

Gain a real-life understanding as representatives from secondary, postsecondary, and industry share their experiences with program alignment. Panels express their role in shaping the alignment of their programs to help improve student learning outcomes and provide more continuity between secondary and postsecondary programs and the workforce.

12:00 pm - 1:00 pm, Taylor 232
Marshall Bautista, Idaho Department of Correction

ANNUAL IOTA LUNCH MEETING ▶

Bring your lunch and plan on attending the Individualized Occupational Training Association Annual Meeting. IOTA is a division of Career & Technical Educators of Idaho. Everyone welcome!

1:00 pm - 1:50 pm, Shields 110
Gina Persichini, Idaho Commission for Libraries

LIBRARIES: YOUR PARTNER FOR COLLEGE AND CAREER READINESS ▶

With library resources in schools, colleges, plus 143 community locations in Idaho; libraries are a natural partner for the CTE professional. From online databases for improving skills to on-site computer availability for submitting employment applications, learn about the tools and services available through libraries of all types statewide.

GENERAL SESSIONS

Thursday, August 4:

8:00 am - 5:00 pm, Hepworth 150
Betsy Moynihan and Molly Collins

ADULT MENTAL HEALTH FIRST AID ▶

Learn to assist someone experiencing a mental health crisis. Identify risk factors and warning signs for mental health and addiction concerns. Discover strategies for both crisis & non-crisis situations. Space limited. Inquire at check-in.

8:00 am - 10:00 am, Shields 109
Jeff Schmidt, M.S.Ed.

TECHNOLOGY INTEGRATION FOR CTE - MUST-HAVES AND MUST-KNOWS (COOL TOOLS) ▶

Discover Google Drive for educators, digital peer assessment tool, exit tickets, digital student portfolios, augmented reality, Newsela, images as complex text, literacy integration tools, and more in this hands-on workshop.

10:00 am - 10:50 am, Shields 113
Jan Roeser, Idaho Department of Labor

HOT JOBS DOL ▶

Workforce Occupational Projections: In this land of Chobani & Clif Bar, which jobs are hardest to fill? Which will grow faster? Learn more about the 2014-2024 Occupational Projections from Department of Labor and how these Hot Jobs interface with the industry mix in Idaho.

11:00 am - 12:00pm, Shields 108
Lisa Hill, MS CIH and Matt Call, MS CIH CSP

A SAFETY AND HEALTH TRAINING FOR YOUNG WORKERS ▶

Discover the National Institute of Occupational Safety and Health's (NIOSH) Youth at Work-Talking Safety agenda (geared towards students from 7th grade and up): become familiar with the tools NIOSH has developed for workplace safety.

Thursday, Cont:

1:00 pm - 1:50 pm, Shields 108
Wendi Secrist and Caty Solace, ICTE

JOURNEY TO CAREER: MARKETING CTE ▶

Discover new ICTE resources to help you market CTE. Explore Idaho SkillStack, IPTV: Journey to Career, Career Atlas, the new ICTE website, and more. Learn how to tell the CTE story to reach new students.

1:00 pm - 2:00 pm, Shields 109
Jeff Schmidt, M.S.Ed.

STUDENT SUCCESS IN THE NEW ECONOMY ▶

Reconsider the questions we should be asking to amplify student success. A data-based explanation as to why we should promote alternative pathways to success in addition to baccalaureate achievement.

1:00 pm - 2:00 pm, Shields 201
Greg Betts, Great American Opportunities

FUNDRAISING IDEAS FOR STUDENT ORGS ▶

Learn successful fundraising ideas for your student organization.

2:00 pm - 2:50 pm, Shields 108
Lisa Hill, MS CIH, and Matt Call, MS CIH CSP

A SAFETY AND HEALTH TRAINING FOR YOUNG WORKERS ▶

Discover the National Institute of Occupational Safety and Health's (NIOSH) Youth at Work-Talking Safety agenda (geared towards students from 7th grade and up); become familiar with the tools NIOSH has developed for workplace safety.

POSTSECONDARY

Tuesday, August 2:

1:00 pm - 2:30 pm, Hepworth 108
Wendi Secrist and Adrian SanMiguel, ICTE

STUDENT SUCCESS THROUGH SOFT SKILL

DEVELOPMENT ▶ Soft skills routinely make employers' top 10 list of "in-demand" skills. What are you doing to reinforce the importance of performing with integrity, problem solving, communication, teamwork, and the simple stuff like showing up on time? Differentiate your program by integrating soft skill development into every class. Learn from your peers, and access new resources to support soft skill development.

Wednesday, August 3:

9:45 am - 10:45 am, Shields 210
Dona Orr, ICTE

STUDENT LEARNING OUTCOMES ▶

Student learning outcomes help institutions plan and assess their program of work, and they help students frame their knowledge, skills, and abilities to better communicate what they know to others. Identify ways to align outcomes to institution and program mission and purpose. Learn how to identify and fix poorly written outcomes, and how to use outcomes to direct program improvement.

9:45 am - 10:45 am, Shields 209
Stephen DeWitt, Deputy Executive Director, Association for Career and Technical Education

ALIGNED BY DESIGN: WIOA AND CTE ▶

The newly reauthorized Workforce Innovation and Opportunity Act (WIOA) intersects with the Carl D. Perkins Career and Technical Education Act (Perkins) with a renewed focus on activities such as career pathways. States and local communities need to develop a cohesive strategic vision for workforce development that includes CTE as a core component. Come learn about this and other postsecondary-related policy topics that are being discussed at the federal and national levels.

Wednesday, Cont:

9:45 am - 10:45 am, Shields 204
Dr. John Foster, NOCTI President/CEO and Michele McFarlane, Registrar at College of Southern Idaho

CREDENTIALING QUALITY: PAST AND PRESENT ▶

Learn a little more about NOCTI's 50th year. Topics include: prior learning assessment, digital badges, and how instructors are using pre/post results to support data-driven methods for program improvement.

11:00 am - 12:00 pm, Shields 210
Susan Johnson, ICTE

POSTSECONDARY PROGRAM APPROVAL PROCESS ▶

Idaho statute delegates responsibility to the State Board of Education to prescribe the courses and programs of study offered at the public institutions of higher education. Learn about how to complete the new program proposal template, process, and timelines.

11:00 am - 12:00 pm, Shields 209
Pat Weber, Centers for New Directions at College of Southern Idaho

NON-TRADITIONAL OCCUPATIONS ▶

Learn about non-traditional occupations and career fields in Idaho. Understand what non-traditional occupations or career fields are, as well as what non-traditional CTE programs exist. Discover activities, resources, and best practices to connect students with these fields.

11:00 am - 12:00 pm, Shields 102
Lisa Hill, MS CIH, and Matt Call, MS CIH CSP

A SAFETY AND HEALTH TRAINING FOR YOUNG WORKERS ▶

Discover the National Institute of Occupational Safety and Health's (NIOSH) Youth at Work-Talking Safety agenda (geared towards students from 7th grade and up); become familiar with the tools NIOSH has developed for workplace safety.

POSTSECONDARY

Wednesday, Cont:

11:00 am - 12:00 pm, Shields 101

Bob Uhlenkott, Chief Research Officer, Idaho Department of Labor

OUR AGING POPULATION AND WORKFORCE AND ITS IMPACT ON OUR 2014-2024 INDUSTRY AND OCCUPATIONAL PROJECTIONS ▶

The United States is going through a massive demographic shift and all states are not treated equally. As a result, we face significant economic and structural challenges over the next several decades for education, training and career planning. With these demographic challenges also comes opportunity. Pour through data, identify leverage points, and explore what the future may hold for Idaho's workforce and economy.

11:00 am - 12:00 pm, Shields 204

Dr. John Foster, NOCTI President/CEO and Michele McFarlane, Registrar at College of Southern Idaho

CREDENTIALING QUALITY PAST AND PRESENT ▶

Learn a little more about NOCTI's 50th year. Topics include: prior learning assessment, digital badges, and how instructors are using pre/post results to support data-driven methods for program improvement.

SECONDARY

Wednesday, August 3:

9:45 am - 10:45 am, Shields 115

11:00 am - 12:00 pm, Shields 115

1:00 pm - 2:00 pm, Shields 115

2:15 pm - 3:15 pm, Shields 115

Tim Withee, CTECS, Susan Johnson and Shauna Williams, ICTE

ADMINISTERING THE WRA AND TSAS THROUGH CTECS ▶

The Workplace Readiness Assessment and over half of the secondary technical skill assessments are ordered through CTECS (Career and Technical Education Consortium of States) and administered through their online platform E-SESS. Walk through the process of participating in the pilots of new assessments and administering the completed assessments to concentrators. Learn how to create an account, identify proctors, order assessments, register students, and administer the assessment on test day. Also, get tips to ensure smooth testing!

9:45 am - 10:45 am, Shields 116

11:00 am - 12:00 pm, Shields 116

1:00 pm - 2:00 pm, Shields 116

2:15 pm - 3:15 pm, Shields 116

Steve Rayborn, Amy Lorenzo, and Theresa Golis, ICTE

ASSESSING PROGRAM QUALITY ▶

To help foster secondary CTE program quality and promote accountability, Idaho Career & Technical Education (ICTE) is developing a desk audit mechanism to assess all CTE programs using data-driven analyses. These data outcomes will allow ICTE program quality managers to conduct a preliminary assessment as to how well a program is performing, based on identified criteria. Role play by reviewing hypothetical program data, to assess whether the identified program outcomes would warrant additional review or support by ICTE program quality managers. In small groups, analyze the data provided and present recommendations to the audience.

Wednesday, Cont:

9:45 am - 10:45 am, Shields 117

11:00 am - 12:00 pm, Shields 117

1:00 pm - 2:00 pm, Shields 117

2:15 pm - 3:15 pm, Shields 117

Heather Luchte and Matthew Rehl, ICTE

USING DATA TO IMPROVE STUDENT OUTCOMES ▶

“Measurable Student Achievement” is one of the major performance criteria for secondary teachers. One-third of an Idaho’s teacher’s evaluation will be based on student growth. Many assessments are available for teachers to demonstrate student growth in content knowledge. Technical Skill Assessments include critical student learning outcomes identified by a review committee made up of secondary and postsecondary instructors and industry partners. Assessments are administered to the program’s capstone concentrators. Learn how to use these assessment results to drive the curriculum changes in the classroom needed to improve student performance in your program.

9:45 am - 10:45 am, Shields 118

11:00 am - 12:00 pm, Shields 118

1:00 pm - 2:00 pm, Shields 118

2:15 pm - 3:15 pm, Shields 118

Wendi Secrist, Justin Touchstone, and Joanne Clovis, ICTE

TECHNICAL ADVISORY COMMITTEE (TAC) WORKSHOP ▶

Strong partnerships between educational institutions and industry have long been recognized as a pillar in effective career & technical education programs. These partnerships ensure community ownership and build local support, commitment, and resources. Participate in an open discussion of TACs to see how they add value, and help ensure a high quality program. Learn how the division will leverage the TACs to inform statewide planning and identify quality programs. Understand the state’s requirements for what a TAC is, who should be on it, how it should function, and how it gets reported to the state.

SECONDARY

AGRICULTURE & NATURAL RESOURCES

Tuesday, August 2:

1:00 pm - 2:30 pm, Shields 106
Jerry Severe, ICTE

AGRICULTURE WRA PREPARATION ▶

The Division's Six Program Quality Managers will provide secondary teachers and administrators with a more in-depth understanding of Idaho's Workplace Readiness Standards. Participants will learn more about current WRA pass rates and will be provided with access to a number of free resources to help incorporate workplace readiness into their current CTE program.

3:00pm - 4:30 pm

Jerry Severe, ICTE, Shields 106

AG PROGRAM UPDATE ▶

General program update and conference planning session.

Thursday, August 4:

8:00 am - 8:50 am, Shields 102
Jerry Severe, ICTE

CONNECTING SECONDARY AND POSTSECONDARY AGRICULTURE AND NATURAL RESOURCES ▶

With more than 30 years of experience in Agriculture and Natural Resources, including both the private sector and at the postsecondary level, Jerry will provide a comprehensive overview of the key link between secondary and postsecondary Ag programs and successful workforce placement. He will highlight potential areas for improvement and facilitate a dialogue on how to best prepare secondary students for next steps.

9:00 am - 10:50 am, Shields 102

Robert Hale, Facilitator

UNDERSTANDING HOW STANDARDS WORK IN THE 3 CIRCLE AGRICULTURE EDUCATION MODEL ▶

Mr Hale, in conjunction with Jaysa Fillmore and Lex Godfrey, will lay the groundwork for the IQPS and the pathway discussions later in the day. The focus of the session will be to help the 42% of newer Ag teachers, as well as potentially even some of Ag's more seasoned teachers, become more dynamic and flexible in their teaching style.

Thursday, Cont:

11:00 am - 11:50 am, Shields 102
Amy Lorenzo and Steve Rayborn, ICTE

UPDATING AND STREAMLINING THE IDAHO QUALITY PROGRAM STANDARDS (IQPS) GRANT APPLICATION PROGRAM ▶

Following the second year of IQPS applications, this session will more closely examine current practices and explore opportunities to further streamline the application process. Participants will discuss ways to make the application more accessible to all Ag teachers while still holding teachers accountable for demonstrating their alignment with identified IQPS standards.

1:00 pm - 2:50 pm, Shields 113

Steve Rayborn, ICTE

AG PATHWAYS AND CLUSTERS; MAKING THE RIGHT DECISION FOR THE RIGHT PROGRAM ▶

After a robust dialogue at the June IVATA in-service, Steve will work with participants to better understand the distinction between program clusters and program pathways. This interactive session will review current capstone courses and identify strategies to meet state requirements while still allowing for local control in program development. Specific focus will be on developing the appropriate Ornamental Horticulture Capstone.

3:00 pm - 3:50 pm, Shields 113

Shanon Holt, Boise School District

EFFECTIVELY MENTORING NEW TEACHERS ▶

Nearly half of all Idaho Ag teachers have been in the classroom for fewer than five years. Effective mentors are a key component to teacher retention, regardless of their program area. Shanon Holt, who is a seasoned teacher in Family and Consumer Sciences currently acts as a teacher mentor for the Boise School District. She will bring her perspective on how to foster long-term teacher success by providing support, encouragement and accountability.

BUSINESS AND MARKETING

Tuesday, August 2:

7:00 am - 8:00 am, Taylor 247
IBEA Board

NEW BUSINESS TEACHER BREAKFAST ▶

Allison Lowenthal, Vocational Rehabilitation

WHAT IS CAREER READY? ▶

Opportunities Provided by Vocational Rehabilitation to Increase Students' with Disabilities Employment Outcomes: Learn how high schools can partner with Vocational Rehabilitation (VR) to provide Pre-Employment Transition Services in job exploration counseling, work based learning, counseling on post-secondary educational opportunities, workplace readiness training, and instruction in self-advocacy to students on IEPs or students receiving 504 services. Discover cost-free funding opportunities from VR to assist students to attend college.

1:00 pm - 1:50 pm, Shields 110
Gina Persichini, Idaho Commission for Libraries

LIBRARIES: YOUR PARTNER FOR COLLEGE AND CAREER READINESS ▶

With library resources in schools, colleges, plus 143 community locations in Idaho; libraries are a natural partner for the CTE professional. From online databases for improving skills to on-site computer availability for submitting employment applications, learn about the tools and services available through libraries of all types statewide.

2:00 pm - 3:15 pm, Shields 110
Wendi Secrist and Katy A. Solace, ICTE

JOURNEY TO CAREER: MARKETING CTE ▶

Discover new ICTE resources to help you market CTE. Explore Idaho SkillStack, IPTV: Journey to Career, Career Atlas, the new ICTE website, and more. Learn how to tell the CTE story to reach new students.

Thursday, August 4:

7:30 am - 8:50 am, Taylor Fireside
Joanne Clovis and Adrian San Miguel, ICTE

IOT & CAREER GUIDANCE UPDATES ▶

Engage in discussion with state program managers for IOT and Career Guidance. Converse on the future direction of these program areas. Breakfast provided.

9:00 am - 12:00 pm, Off-Site (Joint Session with Business & Marketing)
Bryan Matsuoka, Regional Director

USING A SMALL BUSINESS DEVELOPMENT CENTER ▶

The College of Southern Idaho Small Business Development provides you with resources for your business & marketing classroom, as well as career development in an IOT classroom. There will be an afternoon tour to local businesses.

9:00 am - 9:50 am, Shields 113
Merry Olson, College of Southern Idaho Career & Counseling Services

CAREER TECH TRADE ▶

Our emails are bombarded every day with career related resources. It is hard to find the time to research each one to determine which one best fits our needs. Come ready to discuss the most effective tools. Access to this information will be collected and sent to all session participants for future use.

10:00 am - 10:50 am, Shields 113
Jan Roeser, Idaho Department of Labor

HOT JOBS ▶

DOL Workforce Occupational Projections: In this land of Chobani & Clif Bar, which jobs are hardest to fill? Which will grow faster? Learn more about the 2014-2024 Occupational Projections from Department of Labor and how these Hot Jobs interface with the industry mix in Idaho.

11:00 am - 11:50 am, Shields 113
Annette Grove, College of Western Idaho

NON-TRADITIONAL OCCUPATIONS ▶

Learn about non-traditional occupations and career fields in Idaho. Understand what non-traditional occupations or career fields are, as well as what non-traditional CTE programs exist. Discover activities, resources, and best practices to connect students with these fields.

ENGINEERING & TECHNOLOGY EDUCATION

Tuesday, August 2:

1:00 pm - 2:30 pm, Shields 115
Justin Touchstone, ICTE

ENGINEERING/IT AND MEDIA TECHNOLOGY WRA PREPARATION ▶

Idaho Career & Technical Education's six program quality managers will provide secondary teachers and administrators with an in-depth understanding of Idaho's Workplace Readiness Standards. You will learn about current WRA pass rates, and receive access to free resources to help incorporate workplace readiness into your CTE programs.

3:00 pm - 5:00 pm, Shields 115
Justin Touchstone, ICTE

ETE PROGRAM UPDATES ▶

Learn about updates for Engineering Technology Education programs. We will discuss standards development, horizontal and vertical alignment, & Technical Skills Assessments.

Wednesday, August 3:

12:00 pm - 1:00 pm, Taylor Lounge
Justin Touchstone, ICTE

TEAI/ITEEA LUNCH ▶

Technology Education Association of Idaho Lunch for members and nonmembers. This is for all Engineering Technology Education program teachers. Help us develop a long term plan for TEAI in the state of Idaho. Grab your lunch and join us!

Thursday, August 4:

8:00 am - 9:50 am, Shields 204
Justin Touchstone, ICTE

ETE BEST PRACTICES COLLABORATION ▶

Showcase what you're most proud of! Share your best practices with your colleagues across the state. Provide a lesson plan, project, notes, work examples, or whatever it takes to help replicate this project elsewhere.

Thursday, Cont:

9:00 am - 4:00 pm, Shields 223
Julie Best, Idaho Digital Learning

HOURLY OF CODE ▶

Spend an hour learning to code and discovering how to increase computer science awareness among all students. An intro about Code.org, then, spend the rest of the session doing hands-on free activities available to everyone. Sessions start on each hour.

9:00 am - 9:50 am, Shields 203
Justin Touchstone, ICTE

PROGRAM STANDARDS DEVELOPMENT ▶

Program Standards Development explained! Learn about the program standards development process for your program area. Topics include: Perkins requirements, standards development, accountability. TSA's and the data used for program improvement.

10:00 am - 11:50 am, Shields 203 (Joint Session with Skilled and Technical Sciences)
Steve Rodoletz, Reuseum Education, Inc.

ETE & STS MICROCONTROLLER SESSION 1 ▶

Receive your own take home Arduino micro-controller kit, and components for experimentation. Learn how to download and install the software to be able to program Arduino to control servos and LED's.

1:00 pm - 1:50 pm, Shields 110
Brian Hoffman, Intermountain 3D

INTEGRATING 3D PRINTING INTO CTE CURRICULUM ▶

3D printing is revolutionizing industrial product development and manufacturing processes. See how using an integrated life cycle approach could broaden the value of 3D printers as classroom tools, and prepare students for future product development careers.

1:00 pm - 2:50 pm, Shields 106 (Joint Session with Skilled and Technical Sciences)
Steve Rodoletz, Reuseum Education, Inc.

ETE & STS MICROCONTROLLER SESSION 2 ▶

Receive your own take home Arduino micro-controller kit and components for experimentation. Learn how to download and install the software to be able to program Arduino to control servos and LED's.

ENGINEERING & TECHNOLOGY EDUCATION

Thursday, Cont:

1:00 pm - 2:50 pm, Shields 102

Kim Critchfield, Kim Critchfield Photography

CLOSE-UP PHOTOGRAPHY...IMAGES FOR THE ART OF IT ▶

Show your students how to see and photograph things that most people overlook and simply walk on past. We'll talk about doing fun group projects, DIY lighting control, finding in, and making it fun.

1:00 pm - 3:50 pm, Shields 104

Justin Touchstone, ICTE

DRAFTING FRAMEWORK ▶

Working group maps new standards to courses to develop the Drafting Framework document for the Division of Career & Technical Education.

1:00 pm - 4:00 pm, Shields 211

Certiport

ADOBE/AUTODESK CERTIFICATIONS ▶

Engineering & Tech Education teachers will be able to take Autodesk certification exams in Inventor, Revit, and AutoCad.

Thursday, Cont:

1:00 pm - 4:00 pm, Breckenridge Endowment Farm

Jim Schmidt, PCS eDventures

SELF-DIRECTED DRONE CURRICULUM FOR MIDDLE AND HIGH SCHOOL STUDENTS ▶

Discover a well-developed, STEAM-based curriculum related to robotics, electronics physics, material science, and more to infuse into your existing curriculum. The curriculum is a hands-on and fun approach to learning.

4:00 pm - 5:00 pm, Taylor Fireside (Joint Session with Skilled and Technical Sciences)

Justin Touchstone, ICTE

ETE & STS WRAP-UP ▶

During this secession participants will have an open forum discussion to address at any unanswered questions attendees might have about alignment, standards, TSA, restructuring of ICTE etc.

TECHNOLOGY STUDENT ASSOCIATION

Wednesday, August 3:

6:00 pm - 8:00 pm, Idaho Joes

Justin Touchstone, ICTE

TECHNOLOGY STUDENT ASSOCIATION - ADVISOR UPDATE ▶

TSA Board Meeting and an update to TSA Advisors. New Board Members will be elected, TSA budget review, and an update and review of TSA will be presented. Off Site @ Idaho Joes 598 Blue Lakes Blvd. N, Twin Falls, ID.

FAMILY AND CONSUMER SCIENCES

Monday, August 1:

8:00 am - 1:00 pm, Shields 105

IATFACS Leadership Team

IATFACS PRE-CONFERENCE INDUSTRY TOURS ▶

RAFFLE

ACTE RAFFLE

First Prize

- One year membership to ACTE
- One registration to ACTE's CareerTech VISION 2016 conference in Las Vegas. Dates are November 30 – December 3.
- Round trip airfare and hotel for the conference.

Second Prize

- One year membership to ACTE
- One registration to ACTE's CareerTech VISION 2016 conference in Las Vegas. Dates are November 30 – December 3.

50/50 RAFFLE:

The winner of this raffle will receive 50% of the raffle purchases, the other 50% will go to support ICTEF.

Purchase raffle tickets: \$5 a ticket, or 5 tickets for \$20.

Fine Arts Lobby Tuesday August 2, 7:00 am - 4:00 pm and Wednesday August 3, 7:00 am - 8:00 am (winners announced at general session that morning!)

The Idaho Career & Technical Education Foundation, Inc. (ICTEF) is committed to stimulating and promoting quality career and technical education to fill the needs of Idaho's growing workforce.

Learn more about ICTEF at: www.idahoptef.org/

SILENT AUCTION

Bid on baskets from each CTE program area, a basket from each technical colleges and more!

Bid on silent auction items:

Fine Arts Lobby Tuesday August 2, 7:00 AM - 4:00 PM, and at the Awards Banquet.

ICTEF GOALS

- Enhancing programs through industry donations
- Offering scholarships to teachers to update skills
- Offering scholarships to students to attend national competitions
- Developing a statewide awareness campaign
- Promoting career and technical programs
- Collaborating with business and industry and other supportive organizations
- Fostering statewide Board representation

Awards Banquet and Silent Auction

Hosted at Canyon Crest Event Center

Pre-registration required

6:00 pm Reception and Continuation of Silent Auction

7:00 pm Banquet and Awards Ceremony

(No Host Bar Available)

Make sure to participate in the silent auction in the CSI Fine Arts Lobby August 2, 7:00 am - 4:00 pm, and the night of the banquet and reception. This year's awards ceremony will be held at the beautiful Canyon Crest Dining and Event Center. Situated on Idaho's beautiful Snake River Canyon, Canyon Crest overlooks a breathtaking vista of golf courses, parks and the Snake River.

The event will feature a reception, a banquet and silent auction. Dinner will be included and guests are invited to enjoy a no-host bar.

This event will showcase:

- CTEI Award Recipients
- Exemplary Program Award Recipients
- Industry Partner Award

Proceeds from the silent auction support the Idaho Career & Technical Education Foundation, which is committed to stimulating and promoting quality career & technical education to fill the needs of Idaho's growing workforce. The foundation benefits career and technical education in Idaho by facilitating industry donations, offering teacher and student scholarships, and acting as an advocate. idahoptef.org.

University Credit

The 2016 ICTE Professional Development Conference: Reach (PDC) is approved for a maximum of two (2) university credits through the teacher education programs at Idaho State University and University of Idaho. The cost is \$55 per credit. One (1) credit may be earned by attending the full PDC and one (1) additional credit may be earned through one of the following options:

- Attend a full pre- or post-conference workshop (attendance verification required); or
- Submit a two- to three-page reflective paper on the benefit of the PDC sessions attended

University representatives will be in the Fine Arts Building Lobby Tuesday Aug 2, 7:00 am to 5:00 pm for credit registration and to provide more information.

CEU Credit

People attending the entire scheduled conference are eligible for equivalency credit for recertification purposes. The 15 hours of PDC equal (1) in-service credit. See form on next page for more information.

VERIFICATION OF COMPLETION OF EQUIVALENT IN-SERVICE Idaho State Department of Education

Any in-service provided, whether offered by an Idaho school district or another agency, **must** receive written approval from the superintendent, the professional development chairperson or equivalent administrative authority prior to offering the in-service.

This form is only valid if it has been signed by the appropriate superintendent or designee at an Idaho school district or equivalent authority at an Idaho private school.

The following individual has successfully completed a professional development activity and is entitled to equivalency credit. (NOTE: 15 clock hours = 1 inservice credit. A maximum of three (3) inservice credits may be applied toward the renewal of an individual's certificate.) Partial credit **is not** applicable. Equivalent inservice credit can only be used for renewal of a clear Idaho credential. It cannot be used toward the recent credit requirement for initial certification or reinstatement.
