

UP Unlimited Possibilities

Idaho FCCLA Newsletter

Mid-Winter Issue

2017

Every year Idaho FCCLA and the State Officers put on a conference, not only for STAR Events, but for all FCCLA members to come, learn, and have fun! One of the components of State Leadership Conference (SLC) is the chance to win awards and gain recognition. Along with adding more ribbons to earn and display on you name tags, we've been holding some fun competitions to win prizes individually or as a chapter. Individual awards include participating in our monthly Photo Challenge. Using the hashtag: [#letsplayidfcla](#), we will choose photos from every month to display during the banquet at the end of the conference. Chapter have a chance to win prizes by increasing membership. The chapters with the highest increase will win prizes. I want wait to see you all at state!

- District 5
 - ➔ District STAR Events February 17th
- District 6
 - ➔ District STAR Events February 15th

North and South JOLT Joint Student Leadership Training

This was the first year Idaho FCCLA joined the leadership training co-hosted by BPA and DECA. The North was held in Coeur d'Alene, and South was held in Burley. The conferences featured guest speakers Tim Garippa and Clay Long who taught workshops on leadership. When the conference split up into the different student organizations we had great success. Even though the North workshops were small, the engagement and one-on-one leadership training really makes us look forward to higher numbers of participation of North chapters' next year. We had a great turnout in the South, our training consisted of about 80 members from different chapters around the Southern part of the state. We're always trying to promote growth of leaders in Idaho FCCLA, and we hope to see you next year

STAR Events

STAR Events are coming up faster than we think! We hope everyone has chosen their events, and is getting started on them. At our Executive Council meeting we decided to bring back Chapter Service Project Display/Portfolio and Interpersonal communications, so those are great options if you haven't chosen an event to compete in. We wish you all the best of luck on your STAR events and hope to see all of your projects at SLC in April!

District Fall Leadership Conference

FCCLA Fun Fact

The FCCLA motto is "Towards New Horizons"

FCCLA Fun Fact

The FCCLA flower is a red rose.

LATEST TWITTER POLL

IN A RECENT POLL THAT IDAHO FCCLA CONDUCTED ON TWITTER WE ASKED STUDENTS IF THEY WILL BE PARTICIPATING IN STAR EVENTS.

71%

71% said they would.

29%

29% said no.

(They dont know what they are missing !)

District 2

The District 2 Fall Conference was held on November 2nd at Lewis Clark State College in Lewiston. There were a total of 39 members and 4 advisors present. District 1 chapters joined us. We began with roll call and People Bingo. Then, we had Rachel Peasley, the assistant Director of Admissions come speak to us about the different programs at LCSC. We then took a Technical and Industrial tour of campus and learned about the different hands on learning experiences offered. All the members enjoyed the experience and are excited for District STAR Events.

District 4

We held our fall conference at CSI in the Shields Building. We had a total of 132 members present and we had a variety of different activities for everyone to participate in. We had an officer from the Gooding County Police Station come and talk to all of our members about drunk driving and road safety. Along with the police officer, we had Cyn Renue from the Idaho Meth Project come and speak to the group about drugs, as well as abusing prescription drugs. We had a variety of different workshops to touch base on all aspects of leadership. We had many good reports from advisors, as well as the members present.

District 6

This year District 6 held our Fall Conference at South Fremont High School on November 11th, 2016. We had a great turnout! This year we focused on Families First for our service project. We chose to do yard Yahtzee and it was a lot of fun! We painted dice and learned to play some fun games with the dice that included: yard Yahtzee, the Cooties game, and Farkle. Our end goal was to paint enough dice to send a set of dice with each school to give out to a family in need.

You may never know what results come of your actions, but if you do nothing, there will be no results.

-Mahatma Gandhi

Important Reminders

- Make sure your STAR Events are ready for your districts competitions
 - You must be affiliated by February 1st to compete
- Begin preparation for your IDAHO Event at SLC
 - You must be affiliated by March 1st to compete
