

July 20, 2019

**TO:** Idaho Division of Building Safety and Idaho Electrical Board  
**FROM:** Dwight A. Johnson, Administrator  
**SUBJECT:** Related Training Providers

The signed MOU established last year between Idaho Career & Technical Education (ICTE), the Idaho Division of Building Safety (DBS), and the Idaho Electrical Board established the expectations for the addition, removal, and monitoring of related training providers.

Idaho Career & Technical Education recommends approval for the following entities:

College of Eastern Idaho	Eastern Idaho JATC	North Idaho College
College of Southern Idaho	Idaho State University	Southwest Idaho JATC
College of Western Idaho	IEC of Idaho	Treasure Valley Community College
DC Electric, Inc.	Lewis Clark State College	

Based on our review, the related training providers are in accordance with utilizing approved standards set forth by ICTE, DBS, and the Idaho Electrical Board.

Please contact Adrian San Miguel at [adrian.sanmiguel@cte.idaho.gov](mailto:adrian.sanmiguel@cte.idaho.gov) if you have any questions.

Dwight A. Johnson  
Administrator
