Program Information

Approved Assessments:

CTECS: Workplace Readiness Assessment (WRA)

   CTE capstone students and seniors enrolled in at least their second CTE course (grades 9-12) should take the WRA. This includes any/all CTE courses, and some students may be enrolled in courses from different CTE program areas.

Program Standards:

   Idaho Workplace Skills for Career Readiness (2021)

How to Start an Individualized Occupational Training (IOT) Program at Your School

The Idaho Division of Career Technical Education has the authority to approve new programs annually through an application process.

New Program Applications are due February 15 each year. Approved programs are eligible for state added cost funds, along with grant opportunities. Information, instructions, and a link to the application can be found by searching the Resource Catalog on the IDCTE Educator Portal.
