BUILDING AND ACHIEVING SUCCESS IN IDAHO CHAPTERS 2022

North Idaho College

Thank you NIC for your generosity and support!

Guest speaker: Jason Wetzler

Jason grew up on a 14-acre farm in the middle of Portland, OR. He was the only “farm-kid” in a high school of over 2500 students and attributes the lessons he’s learned in life to his agricultural upbringing.

Jason has worked with audiences in over 40 states, Japan, China, the Netherlands, and South Africa. He authors a weekly newsletter called Two for You that you can find at read or subscribe to at jasonwetzler.com.

Jason is passionate about asking big questions, loves telling stories, is his Grandma Dorothy’s biggest fan, and last year he married a southern girl way out of his league. When he’s not holding a microphone, he loves coaching wrestling, doing CrossFit, traveling internationally, taking Lucy and Finn to the dog park, and creating something new with his friends and family.

With everything Jason does he has one goal: to make the life of other people better. That is what he hopes to do today.
