

Equivalency Review Application

Equivalency Review Information:

The opportunity for an equivalency review exists when an Authorities Having Jurisdiction (AHJ) has a candidate who does not satisfy the Idaho Fire Service Training (FST) IFSAC pre-requisites, either from an Idaho IFSAC received certification and/or from another IFSAC certifying state (recognized through Idaho Reciprocity), but who does possess an equivalent state or department training from a non IFSAC certifying state and/or department.

An AHJ candidate may request their application to be assessed by FST staff to confirm that they meet or surpass the requirements set forth by the NFPA for IFSAC Certification testing.

When an application is received, the application will be reviewed and verified by Idaho FST. This may include but is not limited to whether the candidate is still in good standing. When an equivalency decision is made, the AHJ candidate will be notified via email. A copy of the decision will be placed in the candidate's student file.

The applicant shall submit the following requested documentation;

- A completed and signed application by the candidate and AHJ Chief Officer or Training Officer
- A copy of certifications documenting the training received from either the department or state.

EQUIVALENCY REVIEW CRITERIA IS AS FOLLOWS:

(Located in FST Standard Operating Guidelines, Chapter 3, Section I, Option 3)

Hazardous Materials Awareness and Operations

Meet the training and JPR requirements for NFPA 1072, Chapters 4 and 5.
