Clay Long, Administrator
Idaho Division of Career Technical Education
650 W. State Street
Suite 324
Boise, ID 83720

Dear Administrator Long,

I have reviewed the Idaho State Plan for the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), and hereby recommend this plan be submitted to the U.S. Secretary of Education for approval.

With this plan, Idaho is reaffirming its commitment to Career Technical Education not only in our policies but in our actions as a state. Our Division of Career Technical Education, Career Ready Students Program, and most importantly, Idaho LAUNCH, are helping Idaho lead the way in practical skills-based education for our children.

Sincerely,
