

# WHAT IS SKILLSTACK®

SkillStack® is a microcertification platform that allows Idaho’s educators to validate skills; leading to industry-relevant digital badges and/or college credit.

## HOW DIGITAL BADGES WORK

A microcertification is a recognized credential that confirms mastery of skills or concepts. Through demonstration and assessment, educators measure skills in SkillStack® that translate into a digital badge. Digital badges are a visual representation of a microcertification and are embedded with data that verifies your skills and achievements.

### EDUCATORS

Assess and Validate

### LEARNERS

#### Demonstrate and Earn

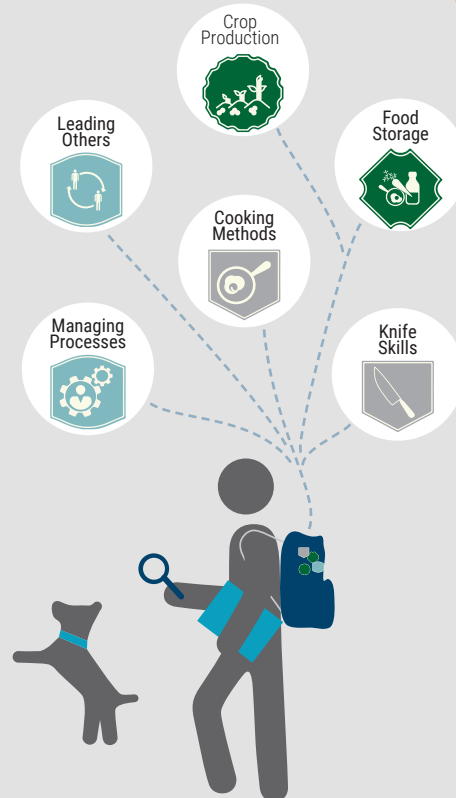

**Leading Others**

Issued 1/25/2020

# Student Quick Guide

## Step One:

### Getting Started in SkillStack®

- Use the video tutorial buttons/QR codes below. See full user guide for more information.
- Change your password and add a personal email address to your account.

## Step Two:

### Demonstrate your Skills and Earn Badges

- As you provide evidence (hands-on work, projects, assessments, presentations, etc.) for each skill, your instructor will assess and validate each competency.
- Once your skills are demonstrated and validated, instructors will mark off the skills in the SkillStack® platform.
- When all of the required skills for a badge are completed, the badge is issued by SkillStack® and appears in your portfolio.

## Step Three:

### Build Your Portfolio

- As you earn badges, your verified portfolio of skills will grow! Diversify your portfolio by enrolling in a variety of courses that offer SkillStack® badges.

## Step Four:

### Export, Download, and Share your Achievements

- Create an account on [Badgr](#).
- Import your earned SkillStack® badge images or URL.
- When you share your badges, viewers can see the public face of your earned badge along with the awarding entity and badges earned from other organizations.
- Every badge earned also has a downloadable, printable unique badge certificate!
