Poster presentations— call for proposals

NEW THIS YEAR

Poster presentations debut at the **Connect Summer Conference on July 13, 2026, at The Riverside Hotel in Boise, 2-4 p.m.**

This concise, visual format allows presenters to share their work and engage attendees in one-on-one conversations during a dedicated session.

Why participate?

Poster presentations offer a focused, accessible way to share practical, real-world work, exchange ideas and get direct feedback and showcase impact across Idaho CTE. There are **two ways** to participate.

1. Student poster presentations

Presented alongside the general poster session, with expectations tailored for students.

Topic suggestions

- Research a topic within your CTE program area
- Build on a topic you have already researched

Poster components

- Introduction
- Review of literature/others' work
- Your research
- Conclusion

2. General poster presentations

Designed for educators, administrators, staff, and partners.

Topic suggestions

- AI and technology
- Curriculum and instruction
- Data insights
- Industry partnerships
- Leadership
- Pilot initiatives
- Program models
- Strategic partnerships
- Teaching strategies

All **student presentations** are eligible for a “People’s Choice” award, voted on by attendees. Winners receive a sponsored prize.

Who should submit

CTE administrators, educators, staff, students, and partners who want to showcase innovative work and practical outcomes.

Submit by May 29
