Youth Waiver Instructions

A person must be at least 16 years of age, and not currently enrolled in an accredited high school either full or part time, in order to qualify to take the GED in Idaho. Testers between the ages of 16 and 18 must complete this Youth Waiver Request Form and turn it in to their local testing center in order to schedule the GED test series. **Questions regarding scheduling or taking your GED tests should be directed to your local testing center or to GED Testing Services on the GED.com website.**

Completing the Youth Waiver Request Form Instructions

Step 1

Set up a free account at GED.com before completing the Youth Waiver form. Keep the email address and password you used when creating this account in a secure location. Access your GED.com account to find a testing center, schedule tests, view test scores, and find answers to questions about GED testing.

Step 2

Homeschooled Students: Only complete Part 1 and Part 3 of the Youth Waiver Request Form. (Students participating in the *Idaho Digital Learning Academy* are NOT considered homeschooled for the purpose of this form.)

- **Part 1** of the form specifies the student is homeschooled. This information is only used by the testing center and is not collected or tracked by the State of Idaho or the Department of Education. Checking this box, when appropriate, helps the testing center process your GED test request more efficiently.
- **Part 3** must be signed by both the student and the student's parent or guardian.

All Other Students: Students who were previously enrolled in a public or private high school, or who participated in the *Idaho Digital Learning Academy*, must complete Part 2 and Part 3 of this form.

- **Part 2** of the form confirms that the student is no longer enrolled in high school. It must be completed and signed by a counselor or principal at the school where the student was previously enrolled.
- **Part 3** must be signed by both the student and the student's parent or guardian. Incarcerated, adjudicated, emancipated, and/or married youth are not required to provide a parent/guardian signature.

Step 3

Mail or take this completed form to the local testing center where the student wishes to take his/her GED tests. To locate a testing center near you, go to GED.com, click on "About The Test" at the top of the screen, then click on the "Scheduling" link located in the blue bar at the top of the screen, and finally scroll down the screen until you can click on the button surrounding "SEE WHERE I CAN TEST". Enter your zip code at the Test Center Search page and click on the Search button to see the address and phone number of a site near you. Your chosen testing center will authorize the student to begin scheduling tests once they have received and validated the completed release form.
