A CTE program should include a minimum of three sequential semesters (career technical schools must include a minimum of five semesters) that culminate in the required capstone course.

* Work-Based Learning (WBL) courses have been established for each CTE Pathway. These work-based learning opportunities are optional, and students may enroll in them during the same term as the capstone course, or in a term following the capstone course.

** Credits can be transcribed at the specified postsecondary institutions.

FCS SkillStack® Badges

The Idaho Association of Family, Career and Community Leaders of America (FCCLA) strives to support positive leadership growth in Idaho’s youth. FCCLA is unique amongst youth organizations because the program of work is member driven. As a career and technical student organization, FCCLA promotes personal growth and leadership development through Family and Consumer Sciences (FCS) education. FCCLA programs help Idaho students across the state with career preparation and workforce development skills. FCCLA and FCS help students advance in careers such as human services, hospitality and tourism, education and training, and visual arts and design.
