Clay Long, Administrator
Idaho Career and Technical Education
650 W. State Street
Suite 324
Boise, ID 83720

Dear Administrator Long,

Whether preparing our youth for their future, training our current workforce, or welcoming students back to their chosen paths, Idaho has long recognized the importance of Career and Technical Education to the future prosperity of our great state. Career and Technical Education helps our workforce to hone their talents and skills, and become active participants in our economy, our community, and our way of life.

I have reviewed the Idaho State Plan for the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), and hereby recommend this plan be submitted to the U.S. Secretary of Education for approval.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brad Little", is written over a horizontal line.

Brad Little
Governor of Idaho
